Early Bird Registration Special ends Tuesday, 6/1/10. If you pay the registration fee of \$95 (first child), \$75 (each additional child) by June 1st, you will NOT have to pay the Annual Supply Fee of \$45 per student.

Please stop by the office and pick up a 2010-2011 Application for Admission or you can print one out from the website. Completed applications need to be returned with the registration fee by June 1st in order to have the supply fee waived.

Returning students need to have a new application completed for the upcoming school year.

Two of our classrooms (K/1st and 4th/5th/6th) are filling up fast ...

WOW ... that is so exciting! Returning your registration fee and application will hold a spot for your child.
